

# Spring Mini-Marathon

Test your skills with this Mini-Messier Marathon.

Feel free to use any resources you like, including Planetarium programs and apps. However, you must control the telescope yourself. (No Go-To or Push-To control)

Complete, sign and submit your form by April 1<sup>st</sup>. To submit your results, scan and email your form to [brian@centralcoastastronomy.org](mailto:brian@centralcoastastronomy.org) or take a picture of your form and text it to 805-242-6415.

Date and Time Found	Number	Object Type	Object Name (if any)	Constellation
	M31	Galaxy	Andromeda Galaxy	Andromeda
	M32	Galaxy	None	Andromeda
	M110	Galaxy	None	Andromeda
	M33	Galaxy	Triangulum Galaxy	Triangulum
	M34	Open Cluster	Spiral Cluster	Perseus
	M76	Nebula	Little Dumbbell	Perseus
	M37	Open Cluster	January Salt-and-Pepper Cluster	Auriga
	M42	Nebula	Great Orion Nebula	Orion
	M43	Nebula	De Mairan's Nebula	Orion
	M78	Nebula	None	Orion
	M79	Globular Cluster	None	Lepus
	M35	Open Cluster	Shoe-Buckle Cluster	Gemini
	M1	Nebula	Crab Nebula	Taurus
	M44	Open Cluster	Beehive Cluster	Cancer
	M46	Open Cluster	None	Puppis
	M93	Open Cluster	Butterfly Cluster	Puppis
	M45	Open Cluster	Pleiades	Taurus
	M48	Open Cluster	None	Hydra
	M81	Galaxy	Bode's Galaxy	Ursa Major
	M82	Galaxy	Cigar Galaxy	Ursa Major
